"Keeping Youth Sports Significant for Kids"

## **“Coach of the Year” Symposium**

Do you want to be the best coach you can be?  
Do you want to be a “Coach of the Year”, every year?  
Are you concerned about the 70% dropout rate of youth sport participants from  
Elementary age to the beginning of high school?  
Would you like to provide the best and most significant learning experience for the children  
that you coach?

The clinic, presented by Coach Greg Winkler, is for you.  
Coach Winkler has been coaching youth and high school age kids for over 30 years. He has  
experience on the football field, the wrestling mat, track and field, basketball court, and  
soccer pitch. Coach Winkler has been recognized locally, at the State level, and Nationally  
for his work in coaching.

**If you work with kids, regardless of the sport you coach, this seminar is for you!**
